DO YOU EVER FEEL SMALL

You have probably heard the phrase, “It’s a small world.” People talk about how technology is “shrinking” the planet - and it is amazing how we can talk and video chat with someone on the other side of the earth in real time. Things like this may make the world seem smaller, but then there are those times when you see a picture taken by the Hubble telescope.

You have probably heard, or at least read, what an astronaut has said about leaving the earth’s atmosphere and going into space. They feel really small. They are overwhelmed by the vastness of the universe. At such times, we may begin to feel small and insignificant. Carl Sagan, a scientist, was quoted as saying, “Our planet is a lonely speck in the great enveloping cosmic dark. In our obscurity, in all this vastness, there is no hint that help will come from elsewhere to save us from ourselves.”

If there were nothing beyond the physical universe, then someone could not help but be overwhelmed by the sheer magnitude of it. The bible, however, presents a different picture. That seemingly endless space is brought into the proper perspective by the one who made it and whose presence and power overshadow it.

I want you to read **Psalm 8**. Read it again. Make another cup of coffee (or tea) and read it several more times. Think about it through the day and go outside on a clear night and spend some time thinking about it some more as you stare into the night sky.

Psalm 8 presents the God responsible for creation and his creation in the way they were intended. It may seem hard to believe because of the enormity of the universe, but we have an inherent glory and honor since we have been made in the image of God (**Genesis 1:26-27**). We were made to have dominion over the other creatures and rule in partnership with God.

That gives humans value. It gives you value. If you ever feel small, just remember that you are created in the image of God. The one who set his glory above the heavens crowned humanity with glory and honor. There is nothing small about that! It should cause us to proclaim like David, *O LORD, our Lord, how majestic is your name in all the earth!* (**Psalm 8:1a,9**)
